- *Students will need to use this code to gain access to your course.*

- *Course will be locked after 14 days (new students can join with your approval)*

Your classroom is ready for students!

1 Invite students to join by giving them this Group Code: u4g8rn Students can sign up for Edmodo using this code or join if they have an existing account.

2 Lock the Group Code once your students have joined and make sure not to post it publicly. This code will automatically lock 14 days after group creation. Any student joining with the locked Group Code will be placed into a queue for you to approve.
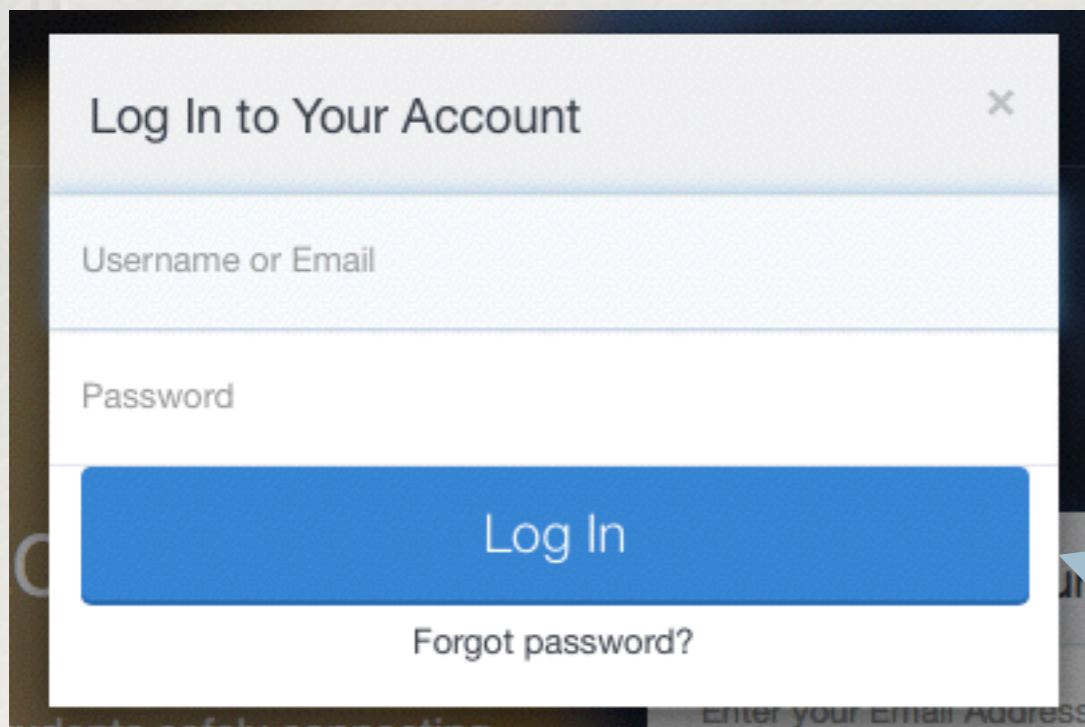

3 Share folders, create assignments, and get your classroom discussion going.
